From the Commodore and Board:

TO THE MEMBERS OF Commonwealth Yacht Club:

I gage how close spring is by the size of my woodpile. As we start having fires in the fireplace in November and slowly start using up the firewood, the woodpile gets smaller. I'm getting low on firewood, so spring must be right around the corner which means it's time to get back to the lake. As I sat by the fireplace reading the CYC Calendar of Events for 2007, I thought to myself what a great year we have ahead of us. I can't remember a year with so many things to do. So as you're getting ready to head back to the lake, check out the 2007 Calendar. There are parties and cruises, sailboat races and fashion shows, and lots of music and good food! So mark your calendar for some fun. Try something different this year: Deco rate your boat for the Lighted Boat Parade in May, enter the talent show in June, cruise to Fat Daddy's in July, and have a great 2007!

Kim Ketter, Vice Commodore

Events Update from the Fleet Commander: The CYC cruise club's summer cruising season is just around the corner. We have six cruises scheduled which vary in length and feature a variety of interesting destinations. If it is long range cruising you are looking for, you'll want to go to Nashville in August or Clarksville in May. We'll have a few of our events at Smith and Pisgah bays, so you don't have to go far to have fun. You will find the people at these events convivial and the location commodious. Please review the full cruising schedule online at www.cycgtb.com and give it a try!

From the CYC Restaurant: Don't forget to come to the Club for a great night out. Also Dockers is now open for breakfast and lunch. Let's get 2007 off to a good start and hit the water.

We hope to see you soon at the Club, in the Marina, or just on the water.....
