

## 2008 Commonwealth Cup Cruiser Award Rules

The Cruising Class is for the enjoyment of skippers and boats not as dedicated to racing. Cruising boats will enter in and compete in the regular A and B fleets for each boat. Cruising captains will certify that their boat has a galley, head, and has not been entered in more than three previous KLSC events in 2008. The cruising boat in the A and B fleet with the best corrected time will be awarded a non-trophy Commonwealth Cup Cruising Award.
