

Commonwealth Yacht Club Membership Newsletter

April 15, 2007

From the Commodore and Board:

CYC has over 400 members, and with that many people it's hard to know everyone. It's always fun to introduce yourself to someone you don't know, and make new friends. I've always been amazed at the diversity of our membership; folks from all over the country and from every walk of life. But I was really surprised to discover last Saturday night at the Star Treatment Night at CYC that John Wayne, ZsaZsa Gabor, Jennifer Lopez, James Bond, and the King, Elvis Presley are also CYC members. Everyone had a great time, with our own star, Mar ti May, providing the music. So if you haven't been up to the club in a while, you should. Great food, great music, and you never know who you're going to meet. Kim Ketter, Vice Commodore

Events Update from the Rear Commodore: As winters cold grip finally let's go, the plans for the Second annual Commonwealth Cup Regatta are on an even keel. We are pleased to announce that West Marine has decided to put their name on this year's Regatta and Mount Gay Rum is interested in being a sponsor next year. We are also looking forward to the article Past Commodore, Kate Demay, is writing for Heartland Boating magazine. Look for it in the August issue. We are again grateful for the fine sailors from Kentucky Lake Sailing Club who are once again helping us with our race. There's a lot to do in running a race, and we welcome all volunteers from the CYC membership. Let us know if you'd like to help. We would love to have you aboard. If you didn't make it to last year's event, you missed a great party. All members are invited to participate and enjoy all of the festivities. See you on the lake,

Events Update from the Fleet Commander: As this goes to press, we are still waiting on all the folks to RSVP for the Smith Bay Barbecue. We'll tell you next month how it went! Now get online and read about the cruise to Clarksville, Tennessee, scheduled for May 18th, 19th and 20th. The fleet will leave either Friday mid-morning or Saturday early morning, depending on the boats who wish to participate. We'll spend the night on the new 280 ft. dock at the foot of Main Street in Clarksville and have a nice dinner at a local restaurant just a short 3 block walk from the dock. Afterward, you can explore the downtown night life or return to the dock for cocktails and conversation. Please RSVP by Monday, May 14th so we can reserve enough space for all at the dock. Thank you very much!

From the CYC Restaurant: AAAnnnddd were off in May at CYC! And around the first bend are Thursday Theme nights featuring Indian cuisine. A nd coming up on the back stretch is our annual Derby Day party on May 5th. Around the second turn is our monthly seafood buffet on Saturday the 12th. And coming down the front stretch is CYC Mother's Day brunch Sunday the 13th. Friday the 18th thru the 20th will be the CYC cruise to Clarksville in the lead, followed closely by the Memorial Day party @ CYC on the 26th. But don't forget the Lighted Boat Parade also on the 26th which is always one of the people's favorites. And the winner is.... You.

We hope to see you soon at the Club, in the Marina, or just on the water.....
